

Dear Applicant,

On behalf of the Radio Night Staff, I want to sincerely thank you for applying to enter to audition to be a potential third cast member on Radio Night, and ultimately join Powerstars and I on the Radio Night Staff! As you are probably aware of, our longtime cast member Hazaman has decided to leave POM for an indefinite period of time to explore his own wishes and desires, which means, he will no longer be participating in Radio Night; however, he will be participating in something else that Radio Night will be doing in the future. But I'm obviously not going to tell you what that is just yet.

But anyways, this audition is for the chance to fill the gap that Haza's departure as created. Now that you have applied to partake in the audition, auditionee, please take a look at the [mock script](#) we have created for you. It contains three skits, each containing a different character style. We would like for you to study this mock script and prepare for your audition that way. You may recite the scripts in any way, shape, or form you would like, we just ask that you are **prepared**.

Auditions will take place on Saturday, September 13. That afternoon, we advise you to be on a constant lookout for us; Haza (he is participating in the audition), Power and I, as we will give you a call on Skype when it is time for your audition. Prior to that Saturday, we will friend request you on Skype if you are not a friend with either of us on Skype. Please accept our request if we send you one. **If you do not wish to audition anymore, please email us at pomradionight@gmail.com.**

We wish you the best of luck on Audition Day! **GO STUDY THAT MOCK SCRIPT!!!**

Best Regards,
